SPIDER LAKE

Spider Lake is an all sports lake located a few miles southeast of Traverse City. It is almost 500 acres in size and features numerous coves, bays and islands. The lake has much charm and character and is one of the friendliest lakes around.

There is a large public island with a nice sand bar that is the gathering spot for locals and visitors whenever the sun is shining.

Activities on the lake include skiing, tubing, swimming, fishing and pontoon cruising. The fishing is great with lots of bass, blue gill and pike. Many of the coves are limited to no wake boat speeds, which makes for great fishing throughout the day.

Spider Lake is located within 5 miles of Acme, 4 miles of East Bay Township village center and about 10 miles from downtown Traverse City.

Nearby features include the VASA trail, the TART trail, Boardman River, township park with tennis, playground and softball, Holiday Hills ski area and thousands of acres of state land.

One visit to this pristine Northern Michigan lake and you will not want to go back home.

Thank you for taking the time to learn about Spider Lake.
